and deductibles or for child care expenses; 44

(2) Provide employers that participate in the pilot 45
program with subsidies for employing pilot program participants. 46

(2) Connects participants with pilot program resources; 56

(3) Provides educational and motivational resources to 57
participants; 58

(4) Connects participants with mentors or pilot program 59
case workers. 60

In developing the digital application, the Department may 61
work in collaboration with the Office of InnovateOhio. 62

(F) If a county department of job and family services 63
representing a county selected to participate in the pilot 64
program has established an individual development account 65
program under section 329.12 of the Revised Code, the Department 66
of Job and Family Services shall request a waiver from the 67
United States Department of Health and Human Services to allow 68
